

CENTRAL PIEDMONT COMMUNITY COLLEGE

CORPORATE & CONTINUING EDUCATION

Course Number: MMG 7965
Course Title: HTML 4.01: Web Authoring, Level 1
Course Hours: 8 Hours

Last Revised On: 7/8/08

Description:

If you have surfed the Internet, you undoubtedly have an idea of what Web pages are and have seen some of their capabilities and limitations. However, merely using the World Wide Web will not give you an understanding of how these pages are created. This course will present the basics of this foundational Web technology and enables you to create your own functional Web pages.

Objectives:

Upon successful completion of this course, students will be able to:

- Create a simple Web page.
- Add structure to content.
- Create links to Web pages.
- Modify the appearance of text.
- Create a data table.

Content:

1. Creating a Web Page
 - Create a Global Structure
 - Add a Page Title
 - Modify the Page Background
 - Create Paragraphs
 - Embed Images
2. Structuring Content
