

Negotiation Skills

In today's business world, learning good negotiation skills will help you maximize your success, whether you own your own business, work for someone else. Who negotiates? The answer is: everyone. When do people negotiate? All the time. And, what is negotiable? Everything! That is why it is so important to master the skills of negotiation. There is no time when you can't use practiced, proven negotiation skills to help you get what you want and need. This fun, information-packed evening class will cover basic Negotiation Skills that can help you better understand how to reach the best agreement or compromise possible for you and your company, with anyone, at any time, for anything.
